Goal 1: Improve access to, and use of, information to provide an understanding.....	6
of what lowans receive for their tax dollars	
Goal 2: Allocate limited resources to achieve the Governor's priorities	9

Department of Management 2014 - 2016 Strategic Plan

Guiding Statements

Our Mission

- The Department of Management leads budgeting, performance and accountability systems for Iowa state government.

Our Vision

- To be a recognized leader among state governments in effective and efficient use of financial resources

Our Guiding Principles

- Customer Focus
- Long-range Thinking
- Employee Participation
- Collaborative Leadership
- Data-based Decisions
- Continuous Improvement
- Results Orientation

Governor's Goals

- 200,000 New Jobs for Iowans
- 15% Reduction in the Cost of Government
- 25% Increase in Family Incomes
- 1st Schools in the Nation

Department of Management 2014 - 2016 Strategic Plan

Our Assumptions

- Customer expectations continue to increase
 - Technology
 - Accessibility
 - Data and transparency
- Status quo or decreasing budget
- Agencies need to address complex and ever-changing federal partnership
- Aging Workforce
- Technology innovation is increasing
- Employee expectation to meet social/cultural values
- Demand for development of Lean facilitators in agencies
- Inefficient systems that hinder performance

Critical Success Factors

- Partnership with Governor's Office and Departments
- Track Performance Results
- Successful identification and deployment of strategies to achieve Governor's Goals
- Reduce duplication and increase efficiency
- Identify and move forward with high impact Lean opportunities
- Legislative support for initiatives to achieve Governor's Goals
- Break down silos within state government

Department of Management 2014 - 2016 Strategic Plan

SWOT Analysis- Key Challenges and Opportunities

Strengths

- Experienced staff
- Strong problem solving
- Maintain and have access to much data and information
- Broad authority for Budget Development and Performance Management
- Working relationships with customers
- Strong relationship with Governor's Office
- Clear direction from Governor's goals
- I3 budget system

Weaknesses

- Limited number of staff
- Lack succession planning
- Have responsibilities beyond our mission
- Minimal customization of the data and information we maintain
- Shortage of Lean facilitators in state departments

Opportunities

- Tell the budget story
- Governor and department directors have a strong interest in Lean
- External partnerships
- Service delivery expectations
- Increasing use of performance management
- I3 budget upgrade
- Performance measurement

Threats

- Changing demographics within the state
- Changing federal landscape/ New partnership
- Budget drivers (Medicaid, Education, salaries) consume approximately 98% of general fund
- Loss of institutional knowledge in DOM and state government through retirements and limited succession planning

Department of Management 2014 - 2016 Strategic Plan

Goal 1 - Improve access to, and use of, information to provide an understanding of what Iowans receive for their tax dollars

Measures:

- Number of unique visitors to searchable database website - DataShare
- Percent of state departments participating in DataShare
- Percent of state departments receiving grant funding that use IowaGrants.gov to track, manage and report grant activity

Strategies	Actions	Who is Involved	Due By
1. Implement and administer Iowa searchable database website (DataShare) so the public can more easily find, understand, and use Iowa's financial, tax and performance data	a. Expand the number of state datasets available through DataShare	DOM staff, agencies staff	Ongoing
	b. Increase the number of visual summaries of state data to facilitate public understanding	DOM staff	Ongoing
	c. Promote embedding visualizations (charts, tables and maps) from other agencies websites	DOM staff, agencies staff	Ongoing
	d. Collaborate with Office of CIO to integrate with Socrata as appropriate	DOM staff, CIO Office	Ongoing

Department of Management 2014 - 2016 Strategic Plan

2. Better utilize data and graphics in communicating the Governor's Budget and Program	a. DOM analysts and director will identify program areas where data/graphics can be helpful in presenting the landscape for funding decisions	DOM staff	Annually each December
	b. Gather data from departments and create graphics for Governor's consideration	DOM staff	Annually each December/ January
	c. Integrate appropriate data within the State of the State, Budget Address and DOM website(s)	DOM staff	Annually each January

Department of Management 2014 - 2016 Strategic Plan

- | | | | |
|--|---|-----------|------------|
| 3. Develop and maintain a state of the art system for managing and tracking grant activities | a. All state agencies that receive grant funding will use IowaGrants.gov to track and manage grant activity | DOM staff | 12/31/2015 |
| | b. IowaGrants.gov will be connected to the I3 Financial System to provide streamlined claim processing | DOM staff | 12/31/2014 |

Department of Management 2014 - 2016 Strategic Plan

Goal 2 – Allocate limited resources to achieve the Governor’s priorities

Measures:

- Percent reduction in the cost of government (2010 cost projections as baseline)
- Number of jobs created
- Percent increase in family income
- Iowa’s rank among states in K-12 Education
- Percent of processes/programs having implemented improvements within 90 days of Lean event
- Number of state government staff trained and ready to lead/facilitate Lean events

Strategies	Actions	Who is Involved	Due By
1. Identify enterprise strategies for achievement of Governor’s goals	a. Review department strategic plans to identify department goals and strategies linked to or aligned with the Governor’s goals	DOM staff and Governor’s Office	April 2014
	b. Select potential Enterprise Plan strategies from strategies identified above	DOM staff and Governor’s Office	Spring 2014
	c. Review strategies with Governor and prioritize strategies	DOM staff, Department Directors and Governors Office	Summer 2014

Department of Management 2014 - 2016 Strategic Plan

2. Utilize performance measures and other program and services related data to assist in making operational adjustments as well as budget decisions	a. Introduce legislation to move from annual budgeting to bi-annual budgeting to free additional time for program and services review and analysis	DOM, Governor's Office	Annually each January until legislation is passed
	b. Review current performance measures for all departments	DOM staff	Ongoing
	c. Work with departments to improve performance measures	DOM staff, Departments	Ongoing
	d. Review department performance measures with the Governor on an ongoing basis	DOM staff & Governor's Office	Monthly
	e. Require performance data to be submitted to DOM to support requests for funding increases	DOM staff	Annually, October 1
3. Identify and implement high impact Lean projects	a. Meet with Department Directors to develop a list of opportunities	DOM staff, Department Directors	Annually
	b. Review strategic plans for opportunities	DOM staff	Annually
	c. Build capacity in departments to facilitate Lean events	DOM staff , Departments	Ongoing
	d. Develop and implement a standardized Lean Facilitator Certification process	DOM staff, Departments	Summer 2014
